The purpose of the Company is to provide professional chess coaching in schools and to run junior chess tournaments

II. The Company is based at: Sterling's Accountants N3 1QA

III. The Company has adopted this safeguarding children policy and expects every adult working or helping at CHESS COACHING SERVICES LTD. to support it and comply with it. Consequently this policy shall apply to all staff, managers, trustees, directors, volunteers, students or anyone working on behalf of Company.

2. Purpose of the Policy

I. This policy is intended to protect children and young people who receive any service from us, including those who are the children of adults who may receive services from us.

II. The Company believes that no child or young person should experience abuse or harm and are committed to the protection of children and young people and this policy is intended to provide guidance and overarching principles to those who represent us as volunteers or staff, to guide our approach to child protection and safeguarding.

3. The Risks to Children

Nearly every child grows up in a safe and happy environment and it is important not to exaggerate or overestimate the dangers. Nevertheless, there are situations where children need protection including but not limited to:

- Sexual abuse;
- Grooming;
- Physical and emotional abuse and neglect;
- Domestic violence;
- Inappropriate supervision by staff or volunteers;
- Bullying, cyber bullying, acts of violence and aggression within our schools and campuses;
- Victimisation;
- Self-harm;
- Unsafe environments and activities;
- Crime; and
- Exploitation.

4. Universality of Protection

The Company recognises that:

- the welfare of the child is paramount;
- all children regardless of race, gender, religious belief, disability, age, sexual orientation or identity have a right to equal protection from harm;
- some children are more vulnerable to harm as a result of their circumstances, prior experiences, communication needs or level of dependency; and
- working with children, young people, their parents and/or guardians, carers or other agencies is essential to protecting their wellbeing.

5. Safeguarding Children at Events/Activities

I. There are three kinds of events/activities:

- (A). those open to adults and children of all ages;
- (B). those for children accompanied by a 'parent'; and
- (C). those for unaccompanied children, which are sometimes run alongside other events/activities.

II. At events and activities open to all ages, children under 16 must be accompanied throughout by an adult over the age of 18 who not only brings the child but also takes the child home again afterwards. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

III. At events and activities for children accompanied by a 'parent', children under 16 must be supervised throughout the event by an adult over the age of 18 who not only brings the child to the event but also takes the child home again afterwards. If a lone adult brings more than one child, then the children will have to stay together, so that the one adult can supervise them. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

IV. At events and activities for unaccompanied children, children under the age of 16 must be enrolled by a responsible adult before being left with the event leader. The enrolment must record the child's name, age and address and the names and addresses of the child's parents, plus the parents' mobile telephone numbers. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

V. Both events and activities are to be defined broadly to include any occasions where the Company will be providing a service.

6 Logging a concern

All information about the suspected abuse, disclosure, or concern about radicalisation, will be recorded and sent to the designated safeguarding lead as soon as possible after the event. The record should include:

- date of the disclosure, or the incident, or the observation causing concern
- date and time at which the record was made.
- name and date of birth of the child involved.
- a factual report of what happened. If recording a disclosure, you must use the child's own words.
- name, signature and job title of the person making the record.

The designated safeguarding lead will decide on the appropriate course of action.

7. Disclosure and Barring

I. The Company offers the following activities for children:

Chess Coaching or organising chess tournament for children

II. Some of our activities may therefore require adult participants or adult leaders to undergo DBS and/or police checks under the Safeguarding Vulnerable Associations Act 2006. The required level of checking (if any) will broadly reflect the degree and frequency of unsupervised access given to other people's children.

III. The Company will take very seriously any allegation of impropriety on the part of any member of the Company. A member of the Company who discovers anything amiss should get in touch immediately with the following:

I. Before starting any event for unaccompanied children, the Team will carry out a risk assessment and then take steps to minimise all risks to health and safety. Parents and children will be made aware of any particular risks and of the steps to be taken to minimise those risks. The Team will keep a record of all risk assessments.

II. Sufficient adults must be present at any event for unaccompanied children to enable one adult to deal with any emergency while another adult supervises the children not directly affected by the emergency.

9. Prevention of Bullying

We will not tolerate the bullying of children either by adults or by other children. If any incident of child-on-child bullying should arise at a the Company event, those involved will be separated immediately and the parents of the children involved will be asked to deal with the matter. The Team will review all incidents of child-on-child bullying and assess the likely future risk to children. If appropriate, the Team will consider banning a child from future events, but only in full accordance with the rules and procedures of the Company. Allegations of adults bullying children will be dealt with in accordance with this Policy.

10. Photographing Children

People must expect to have their photograph taken at many of our events and we reserve the right to publish suitable photographs of those attending, along with the names of members involved. An opt out clause will be provided for parents who do not wish their children to be photographed.

11. Managing Behaviour, Discipline and Acceptable Restraint

I. Adults supervising children at the Company events must never use any form of corporal punishment. If physical restraint is absolutely necessary to prevent injury to any person or to prevent serious damage to property, then the minimum necessary restraint may be used — but for that purpose only.

II. Unacceptable behaviour at the Company events for unaccompanied children will generally be stopped by separating the children from each other and from the Association. The miscreants will be suitably supervised and will be returned as soon as possible to the care of their parents.

III. The Company may apply a further disciplinary sanction; namely the banning of the child from one or more future events over the following 18 months. Any such sanction would be determined and applied by the Director: **ROB WILLMOTH**.

IV. A parent who is aggrieved by this ban may appeal to the Company who will hear the views of all relevant persons. The decision of the Company is then final.

Child abuse and neglect

Child abuse is any form of physical, emotional, or sexual mistreatment or lack of care that leads to injury or harm. An individual may abuse or neglect a child directly, or by failing to protect them from harm. Some forms of child abuse and neglect are listed below.

- **Emotional abuse** is the persistent emotional maltreatment of a child so as to cause severe and persistent adverse effects on the child's emotional development. It may involve making the child feel that they are worthless, unloved, or inadequate. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.
- **Physical abuse** can involve hitting, shaking, throwing, poisoning, burning, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may be also caused when a parent or carer feigns the symptoms of, or deliberately causes, ill health to a child.
- **Sexual abuse** involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. This can involve physical contact, or non-contact activities such as showing children sexual activities or encouraging them to behave in sexually inappropriate ways.

Neglect is the persistent failure to meet a child's basic physical and emotional needs. It can involve a failure to provide adequate food, clothing and shelter, to protect a child from

physical and emotional harm, to ensure adequate supervision or to allow access to medical treatment
